

23" x 23" C2C Kitty Face Blanket Crochet Graph

Materials:

- * I hook 5.5mm & your choice of worsted weight yarn
- * (use H hook 5.0mm if only using worsted weight yarn) your blanket might be a bit smaller
- * I used lion brand thick & quick for the white part, but you can use worsted weight yarn as well. My blanket came out kind of un-even because of the thicker yarn
