

# ANIMAL from the Muppets Beanie/ Hat Child & Adult

For the Hat/ Beanie part I use just a basic hat/ beanie pattern. Below is the link to a Basic HDC Beanie I added the ear flaps myself. If you don't know how to do that, just search Pinterest or Raverly and one will pop up for free

Tie off leaving long tail to sew to hat

NOTE: I first attach my mouth & all it's parts. I sew mine on, but you can hot glue them on as well.

I then attach my nose close to the top center of the mouth

Then I attach my eyes, as you can see they are put really close together and close to the nose

Last I attach my Uni-Brow

Weave in all your ends

Here is the time consuming part

You cut strands of the black yarn about 8" long (A lot is going to get teased off). I then take the strands and tie them to the top of the Uni-brow.

I then cut several pieces of the orange (terracotta) and less of the pink (Bubblegum). I tie those around the front of the face.

I then take a cat brush (Make sure it's a clean one you don't use on your cat), I then start brushing out the hair till it becomes fuzzy like the picture.

I hope you like this pattern and again I'm sorry I can't get the templates to you : (

All Done!

I hope you enjoy it. If you have any questions, don't hesitate to ask.
